

South Coast Vintage Car Club – COVID-19 Plan

Attendees will only attend the event if they are **fully vaccinated** or have a **medical exemption** and do not have any COVID -19 symptoms.

All attendees are required to provide their name, contact number and vaccination status on arrival to events.

For outdoor events there will be no limits. Indoor events will be based on the organizations COVID-19 plan (Ribbonwood Centre, Clubs, Dons Farm, etc.)

At indoor events masks are mandatory unless consuming food or beverages. Outdoor events masks will be optional.

Attendees must abide to the 2sqm rule when sitting in groups at outdoor and indoor events. (Excluding household or other close contact attendees).

To reduce crowding attendees will be required to adhere to the physical distancing with markers on the ground in areas where people are asked to queue.

Attendees will use a separate entry and exit location when accessing the food stall.

Attendees are required to bring their own hand sanitizer and food utensils to the events.

All food organizers will wash their hands with soap & water and hand sanitizer before and after food service. They are required to use gloves and wear masks during all procedures of food preparation.

There will be no more than three people at the BBQ area when cooking. Food preparers will use one set of utensils which will then be washed using hot soapy water after the individual has used it.

If attendees demonstrate non-compliance to the above COVID -19 safety plan, attendees will be asked to leave.

****Above conditions may be subject to change depending upon new information through the public health order and NSW Health.****
