## PRESIDENT'S MESSAGE

Firstly, thanks to the substantial number of members who turned out on a Tuesday weeknight to attend our Annual General Meeting on 10th September. Changes and updates to the CACMC Constitution and ByLaws were discussed and adopted. The new versions will be published on our website soon, once legal requirements are confirmed.

I'd like to thank those long-standing club office-bearers who have stepped back after many years of service - Graham Waite (President), Bob Judd (Treasurer) and Bob Garrett (Information Officer). Graham has agreed to take over as Information Officer, and Bob Judd will continue as Public Officer. I look forward to working with Scott Molloy as Treasurer, David Fox continuing as Secretary, and Joe Micallef as Vice-President, as well as the long list of office-bearers who support the Club and its programs. Some of our club responsibilities are still looking for people to put up their hands and take them on.

This Club is served by an effective body of volunteer office-holders who make it one of the strongest motoring clubs in the ACT. Membership has grown to over 400, counting Single, Family, and Life members. The Committee will be working to ensure we provide the basic services and opportunities for member participation that are set out as the Objectives of our club. We will also need to keep up with the challenges of changing regulatory requirements, changing technologies, and changing expectations of our communication with members. The Colonial will keep you informed of what we are doing. If you have views or ideas, contact me or any member of the Committee.

Richard Thwaites  
President

## LATEST NEWS FROM THE CLUB'S WELFARE OFFICER

Just an update on Dick Stubbs, Greta rang me to let me know how they are doing. Unfortunately they are both not in the best of health and Dick's confusion is slowly getting worse. Thankfully they have a daughter not too far away who can help them.

I was sorry to hear Graham Gittins is having more health problems. We hope you can overcome them Graham, and we are thinking of Heather too.

Please send me some good news!!

## OUT AND ABOUT (REPORTS FROM CLUB RUNS & EVENTS)

### Superheroes ACT Classic Cruise supporting Camp Quality 8 September 2024—Report from Mike Norman

Several Club members attended this event on Sunday the 8th which was aimed at supporting Kids with cancer and their families.

Over 350 vehicles including motorbikes turned out for this annual event, which was the largest turnout the event has had to date. Rallying at the Canberra Arboretum, cars of all types assembled waiting for the 10.30am departure time. The cruise itself wound its way across central and northern Canberra, via Parkes Way, Anzac Parade and a run up Mount Ainslie.

The convoy then headed north up the Majura Parkway before making its way back through Dickson and along limestone avenue—our final destination would be the large carpark near Questacon.

All along the route children and their families stopped to wave, receiving enthusiastic honks from the participants. As a classic car owner, I love events like these as we get to put smiles on so many people's faces.

Finally though we all rolled into Parkes Place to have a show and shine, many people asking questions about the cars.

After participating this year I can recommend this event to other Club members, and I believe that this is one event that the Club should get behind—so maybe next year we could do a Club entry and make a donation as a Club.

Overall the event raised over \$150000 For the kids, a great achievement but perhaps

next year which is the 10th anniversary of the cruise we can top it.

## Shannons All British Day—Sydney—15 September 2024 Report from Mike Norman

On a chilly Canberra morning a small party of 10 shadowy characters gathered in the Dickson College carpark for a 'Boys day out' better known as the Club trip to the 2024 Shannons all British day at the Hawkesbury showground.

After a brief 'pit stop' at Maccas in Sutton Forest, the group arrived at the event at about 10.30am. With watches synchronised the group split up and disappeared into the event to visit their various vehicles of interest.

The event itself attracted a very large turnout from British car enthusiasts from various clubs across the Sydney basin.

The range of British cars covered most of the British marques, with a big turnout from Jaguar, Triumph, Mini, Rolls-Royce and Aston Martin.

Richard caught up with the Daimler club, and Neil was relatively happy having found a couple of Humber vogues (not the sports model though). Mike spent some time talking to the Classic Zephyr group and came away with some good advice to improve the performance of his Zephyr.

The day itself stayed sunny except for an annoying wind. By about 1.30 cars started to leave the event so the party met back at the bus at 2pm for a 2.30 departure. A fairly uneventful run home saw us get into Canberra at about 6.30pm. It was a great day out, and a big thank you must go to John Furlan for organising the outing and being the bus driver for the day.

People's choice went to a bug-eyed sprite, and a three-wheeler morgan.

The last person to get back to the bus will not be named and will remain a well kept secret among the group.

## President's Run to Bredbo—22 September 2024

### Article from Dennis Bagic

The 'President's Run' to Bredbo NSW was Graham Waite's and First Lady Ellen's final official run as outgoing President of the club.

About 23 vehicles convened at Kambah Village shopping centre car park from 10:30 and departed as a group at 11:00. Cary Cope arrived in his lovely XY Ford Falcon but was unable to join us for the run to Bredbo due to prior family commitments. The rest either joined us along the Monaro Highway at Royalla or were already at Bredbo Inn sinking a few cold beverages before the rush. The hour-long drive was relaxing with no mechanical dramas reported by any of the participants who brought along a total of 28 cars on the day.

Despite the windy weather in Canberra, Bredbo was surprisingly calm and mild. Coincidentally, the town also hosted the Bredbo CWA Markets (occurs the 4th Sunday of every month except December). This opened up great options for the group to have lunch either at the Bredbo Inn, outdoors at the markets, or at the Bredbo Pie Shop. I believe at least one vehicle continued onto Cooma (further 23min drive) in search of more options.

Apart from the markets the Christmas Barn was also open for a wander. Overall there was something of interest for everyone and was a great day to just mingle and cruise.

## Seniors Expo 25 September 2024

On the 25th of September a few of our Club members attended the ACT Seniors and Better Ageing Expo on behalf of the Club.

In return for us having some vehicles on display we were given a booth at the Expo to promote our Club and its benefits.

A big thank you to those involved, especially Bob and Joe, who organised it all and spent most of the day manning the booth.

## BEAN THERE DONE THAT!!!!

On September we were very fortunate to welcome Lang and Bev Kidby to Canberra In their historic 1924 Bean car, recreating the original trip from London to Sydney by Francis Birtles in 1927.

Lang and Bev left London in April 2024 and covered the 22,000 kilometres across 14 countries to arrive in Darwin in July. The trip was undertaken without any sponsorship or any support vehicle.

The couple encountered and weathered extremes— from snow in Germany to blazing hot 55 degrees in Iran and Pakistan. Throughout all of this, the Bean took it all in its stride crossing 9000 ft passes in Turkey and deserts in Baluchistan. A military escort was required around the Afghanistan border.

The fearless adventurers ended up in Calcutta where the car was shipped to Darwin to follow and complete the original 1927 route.

Throughout the trip FIVA (Fédération Internationale des Véhicules Anciens) associated car clubs have followed and supported the journey across the world.

The original car from Francis Birtles now takes pride of place in the National Museum in Canberra.

More information about Bev and Lang's journey can be found here: [www.next-horizon.org](http://www.next-horizon.org)

### St John's Fete—Vehicle Display

We have been invited again to display our vehicles at the St John's church fair. Last year a good turnout of ten vehicles attended from our club. If you are interested in attending this year's event, could you please let me know, so I can give the organisers some numbers in advance.

Cars are to be in place by 0900 and lined up as per last year. I will provide more detail later to people attending for the first time.

Note that the ACT elections are being held on that day.

I would appreciate your response by **12 October** if possible please.

Many Thanks,

Bob Garrett.

When completing the CRS application form, if the details do not apply to your vehicle leave it blank.

The Heritage Nissan Club requested that representation be made to ACT government to make the CRS application form an editable PDF instead of the current handwritten form. Council to discuss with Access Canberra.

Query from CACMC re disposal of vehicle coolant in the ACT. The tip is no longer taking it. A delegate suggested that Supercheap take used vehicle coolant.

### **Wheels 25**

Current thought on event ticketing are that :

- the cost of pre purchased tickets will be about \$5.
- tickets purchased late or on the day will be double the pre purchase cost.

Entry will require a ticket (sticker) to be affixed to the vehicle or a ticket to be purchased on the day.

Of note, no cars are to move whilst people are moving around. There is an issue with locking the gates, they will have to be patrolled to stop cars coming in. discussions about the gates are to commence with Queanbeyan Council.

### **Rally business**
