CATERING FOR ALL VEHICLES OLDER THAN 31ST DECEMBER 1980 OF ORIGINAL DESIGN

Visitors from other clubs passing through Lismore & Casino are always welcome at our club outings and meetings. Meetings of the club are the SECOND WEDNESDAY of each month at the GOONELLABAH WORKERS SPORTS CLUB Oliver St., Goonellabah at 7.30pm.

OPINIONS EXPRESSED IN THIS MAGAZINE ARE NOT NECESSARILY THOSE OF THE CLUB.

GUIDELINES FOR CONDITIONAL REGISTRATION

All NRVVCC members should familiarise themselves with the NSW RMS rules and Club Bylaws dealing with the use of your vehicles on Conditional registration, together with the requirement to carry certain documents in the vehicle whenever it is being used. This concession has strict limited use.

Vehicles can only be used for outings organised by the NRVVCC and on limited testing and maintenance. Vehicles may also be used for other outings or events provided it is entered in the log book.

The logbook allows a maximum of 60 days during a registration year for personal use of the vehicle in addition to events organised by the NRVVCC. For these personal use outings no notification to the club secretary is required, but all movements need to be in the log book. If you are using your vehicle for a formal or wedding, fill in your logbook, do not accept any remuneration whatsoever.

Members need to be familiar with the RMS logbook usage requirements when using the log book scheme. NRVVCC Bylaws require members with vehicles conditionally registered and sponsored by the NRVVCC are to attend at least **three Club outings** during a calendar year. Failure to meet this requirement without good cause, may jeopardise the renewal of registration for the following year.

As a Club approved by the NSW RMS, the NRVVCC is obliged to self regulate the RMS requirements to retain its approval status and so preserve the worthwhile benefits and concessions for its members under this scheme.

PRESIDENTS REPORT

Here it is, October 2024, the year seeming to pass very quickly, with many wonderful outings organised by the events team. A great mix of events, both long and short, BYO's as well as meals at venues, a visit to the Cheese Factory, BBQ's (Crams Farm and Minyon Falls – thanks to Chris and Narelle), culminating in a four day trip to Stanthorpe organised by Peter and Bev, and the Annual Rally organised by Ben and Allan. Many thanks to all those that contributed to organising these events and that helped in any way.

During 2024 there have been several new members join the Club, bringing more variety of vehicles. We welcome these new members and hope to see them at events.

Now, the Annual Meeting in November is fast approaching. We have a very special Club in the NRVCC Inc. BUT, running the Club is a team effort; there is always a lot to do. There are events to organise, reports to write, photos to take, internet tasks, banking & book-keeping, -the list goes on. Now some members have been doing several jobs for many years, and are wanting a rest, so, if you can attend the AGM and offer to help with some of these tasks then it would be greatly appreciated.

I would very much like to thank those members that have filled positions or helped in any way during 2024. Without them, the Club would not operate nearly as well.

17 members plus 1 family member met for morning tea at Annie's Café & Bakery, Modanville on an overcast day. Members enjoyed a chat over a cuppa & cake chosen from the large range on offer in the Bakery. Hard luck story for the day was an electrical problem with Chris & Narelle Loadsman's 1929 Chev during the drive to Modanville. A big thankyou to Graeme Gill for helping Chris get back on the road & both arriving in time for coffee & cake with the rest of the group. Today was the first club outing for Jordan's 1935 Morris.

President's Outing to Lawrence

Sunday 13th October, 2024

After rain overnight, Sharin and I awoke to cloudy skies on Sunday morning. We left home in time to arrive early at the Casino morning tea stop, only to find several members already there. After cuppas and lots of chatting we set off a little after 10.00 a.m. for a leisurely drive, arriving at Lawrence around 11.30.

Lunch at the Lawrence Tavern was selected from quite a varied menu. The meals were very well presented, I am sure that everyone was pleased with their selections. A local sporting club was selling raffle tickets, NRVVCC members obliged but were not successful in winning any prizes, even though a "certain member" was present.

After more chatting we headed home around 2.00 p.m., some returning via Casino, others electing to cross the ferry and return via the highway, with some members visiting the Lawrence Museum. **Report - Graeme Gill (Club President)**
