## Impromptu Events / COVID

Members – create your own impromptu event.

Lead others to a favourite spot of your choosing and enjoy their company in their classic cars. Remember to carry a copy of the impromptu event with you when driving to and from any event. It is also wise to carry a printed copy of the invitation / newsletter excerpt / webpage of any event you are travelling to and from in case you are pulled over for any reason.

Due to the possibility of COVID-19 restrictions and limitations being placed on our activities, the Management Committee recommend the following advice be offered to our members who may be contemplating taking part in Club activities in the future.

It is now intended to make use of the IMPROMPTU EVENT for use by members for other members.

In order to do so, our website has an Application Form that when fully completed is automatically sent to the Events Co-ordinator.

His job will then require resending the Application as an email to ALL members.

Accordingly, the Application will require a start time and those members wishing to take part in the Event will need to phone the Applicant to obtain the requisite details.

It is anticipated that these Impromptu Events will often take place during mid-week.

1. You will be asked to sign an attendance sheet.
2. Should members show any signs of illness to avoid attendance
3. Members should not feel under pressure to attend any Club functions
4. It is highly recommended that you have the COVID-19 app on your mobile phone
5. Please bring your own chair/table and hand sanitiser

### WEARING OF SEAT BELTS—CLASSIC VEHICLES

The government camera scheme to detect wearing of seatbelts has been clarified by the Transport Main Roads with respect to wearing them whilst in a Classic car built prior to 1969 (when seat-belts were not installed when manufactured). A representative of the TMR has stated that all photos taken are cross-referenced with the vehicle registration details and if the vehicle is prior to 1969 and NO belts were fitted, NO FURTHER ACTION WOULD OCCUR—THE PHOTO WOULD BE DISMISSED.

However, if a photo was inadvertently processed and a summons was issued, contact TMR and they will deal with it in your favour.

## From the Ed...

I hope you're enjoying the newsletter. For the next few months there will be a lot of information regarding the 2024 Sunbeam Nationals and one way to balance that for the other Rootes marques is to help the Editor out with some relevant information, please. My personal stock of Hillman / Humber etc content is a bit thin so if you have, or would like to see any articles please feel free to reach out to me and I'll be happy to publish them.

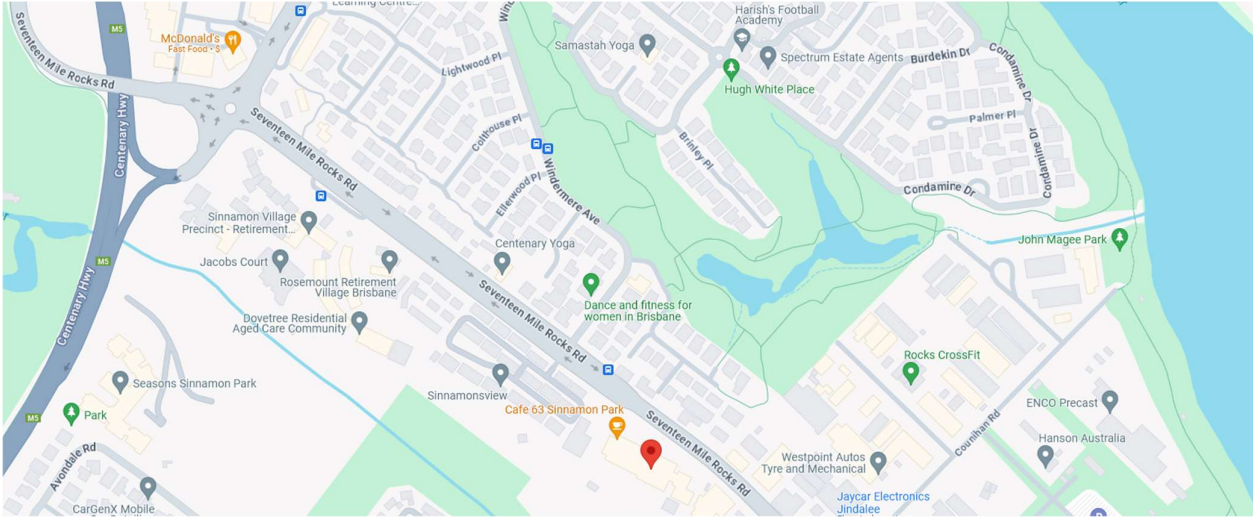

I'm still looking for Hillman / Humber related content or stories from your sheds or travels, so please feel free to send some over to me. Thanks in advance for your assistance with making the club stronger.

## NEXT EVENT – 09:30 Sunday 17<sup>th</sup> March

## PAST EVENT: SATURDAY FEBRUARY 17<sup>TH</sup>

Adrian Grant and Nola Sheldrick, Bob and Claudette Otto, Peter Jensen, Matthew Parker and your Ed made the drive over to Banyo for a coffee, meal and a tour of this relatively new venue. The under-building parking and air-conditioned spaces made for a pleasant few hours while we ate, chatted and worked our way through the displays.

The museum regularly rotates their exhibition stock and on our visit were running a combined German / Muscle Car theme. Their current theme is "Seen on the Screen" and will run until June. You can also nominate your own car for one of their upcoming themes – see their website for more information.

## **Your membership fees for 2024 were due January 1st !**

We've enjoyed having you on board with us for 2023 and look forward to continuing our association throughout 2024.

As always, club fees for the year are due in January and once again we have managed to keep them down to just \$45 for the year – excellent value for money. No further reminders are sent so please act now.

It is our duty to remind Members who are on S.I.V.S Concessional Registration that Department of Transport and Main Roads conditions state "to retain the concession you should be a financial member of an incorporated car club. If you operate outside of these conditions of the SIV Scheme, you may face a fine of \$176 or risk having your concession eligibility reassessed. As well as incurring financial penalties for operating outside of the scheme, you may face serious insurance implications if you are involved in an incident causing damage to your or other vehicles or property, or injury to yourself or others whilst not being compliant with registration requirements due to lapsed membership.

### **PAYMENT**

Cheques/money orders payable to ROOTES GROUP CAR CLUB QLD Inc can be sent to:  
RGCC Qld Inc  
C/- P O Box 449  
Deception Bay, QLD 4508

Alternatively, you may make a counter deposit or electronic transfer at any bank to:  
SUNCORP INTERNET BANKING (Rootes Group Business Premium)  
BSB 484799 ACCOUNT: 481960636

(Please reference the deposit with your name and also send us an email when payment is made to make the Treasurer's life a little easier! ([secretary@rgccqld.org.au](mailto:secretary@rgccqld.org.au)))

### **CHANGES/ADDITIONAL INFORMATION**

If there have been any changes since your last contact with us (for example: additional vehicles to be included in your membership, change of address, registration numbers, contact details, email address, etc), or if you now have information such as chassis numbers or engine numbers that you weren't able to provide at the time of joining please include those updates here. (Or, in the case of paying electronically please include a note in your advice email.) The Club is required to keep a record of SIV's registered cars for TMR. Please assist us by detailing any SIV's registered cars you may have.

A friendly reminder: If you own a Classic Car on SIV rego, then you must be a financial member of an Official Club. Failure to do so means your car is unregistered, uninsured if driven in QLD.
