### ANNUAL BAZAAR BRINGS A CROWD

The Roma Anglican church held its yearly bazaar in September and the Club was there to display their vehicles. The Roma and District Aeromodelling Club also sat in the display as a few RHMC members are part of the Aeromodelling club as well. The members enjoyed a really social atmosphere taking in the food and local Choir featuring our President Karen. Local market stalls and a petting zoo were also on show. It's also a good opportunity to check out the large stained glass windows of the Church and its other historical features.

## St Paul's Church History Facts

1. The first Anglican church in Roma was constructed from wood and opened on 17th October 1875, costing 1,200 pounds. This building, which seated about 200 parishioners, outgrew its congregation around 1910. The present church was built between 1913 and 1915, but due to financial problems the bell tower and the plastering of the arches and pillars were not completed until the 1960's.
2. Approximately 16,000 concrete blocks, made with two block making machines imported from the USA, form the construction of the building. One of these machines could make 100 blocks a day, and is on display.
3. The oldest windows date back to 1876, and the latest 2006. Ten windows were removed from the first church with three of these shipped out from England. The other 26 stained glass and 11 leadlight windows have been designed and constructed in Australia.
4. The tiles on the roof are from France. They landed into Brisbane Port in late 1890 and are called Marseille tiles, with a symbol of a lion on the back.
5. The magnificent timbers in the roof are Oregon and Hoop Pine, and the floor is made from Crows Ash and Huon Pine. The majority of the pews are constructed from Queensland Silky Oak.
6. The High Altar and Pulpit were constructed in Little Roma Street Brisbane. The Sandstone is of a fine grain buff and was sourced from a quarry at Ravensfield near Maitland NSW.
7. The Lectern was purchased from England in 1888 and is solid brass. It was in the first church.
8. The Font was also in the first church.
9. The Pipe Organ was installed in 1928 by Whitehouse Brothers, Brisbane at a cost of 1,288 pounds and has 567 pipes.
10. A Carillon was installed in 1955 and on a clear morning can be heard for 10 kilometer's (6 miles).

There will be a Zoom option for both meetings on request.

# Next Meeting

AGM / General meeting-Roma RSL Hall

Guest Chair - John Finnigan

Quintin Street, Roma - Meeting will commence at 1.30 pm sharp. We will have a break (Approx 2.30 pm following this meeting for afternoon tea (coffee and ice-cream vans have been invited to attend) and the AGM will follow, commencing at approx. 3.30 pm. We ask that you attend in your historical vehicle as this will make a great display at the front of the RSL Hall. Please consider what role you may be able to carry out for the club in the coming year. All current club role bearers are asked to prepare a brief report for the AGM.

## (LAST MONTH) MEETING

### Surat Town Hall Supper room

A really good turn out of members attended the Surat meeting with a few coming from St George as well. Nazima organised a excellent morning tea for the group before settling down for the meeting. Highlights were the members reports on runs, meeting and attended events and Belinda from the St George chapter also updated the group on their activities. A competition was run and resulted in M Knight - Holden Stateman Deville (St George) winning "What I would like in my Garage" and V Ranosch - MG MGB in 2nd place, and Encouragements going to D Sutton - Holden EK Ute taking 1st place, and J Sullivan - Ford XB Falcon Sedan taking in 2nd. A few bike riders joined in as well and a Surat local dropped in with his yellow Moke.

**DES'S CHEV GETS A FAN CLUB**

**ABOUT US**

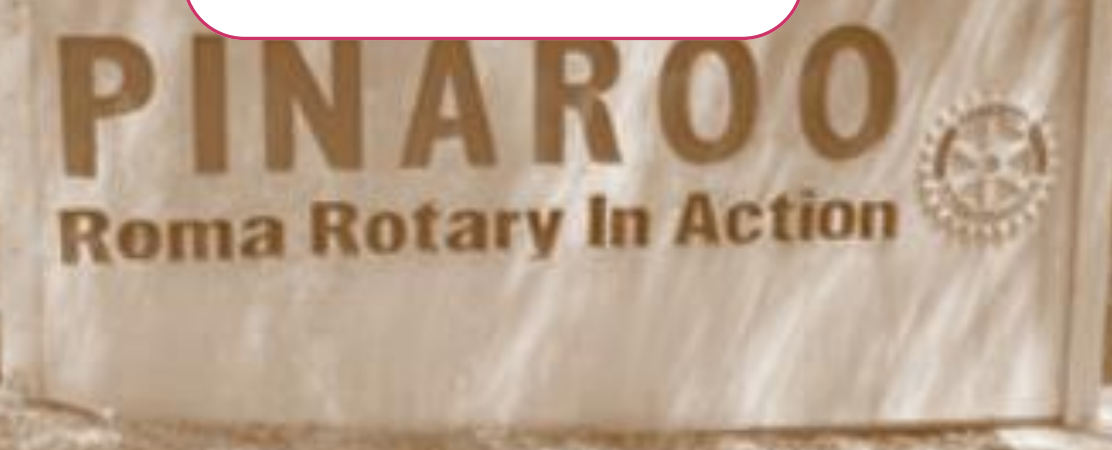

Not-for-profit residential aged care facility directed by the Rotary Club of Roma

**"PINAROO"**

Indigenous word for "Resting Place"

The RHMC club conducts a quarterly visit to the Pinaroo residents and they enjoy every time they visit. Des Sutton's Chev tourer gathered a bit of a fan club with the young at heart taking a keen interest in the vehicle. The next visit will be in March 2024 with the possibility of Roma's Westhaven getting a visit as well.

**And Bruce Gould 1978 ZH Ford Fairlane - Best Original vehicle. (RHS)**

## RHMC MEMBERS JOINED THE MILES BACK TO THE BUSH CROWD

A few members travelled to Miles for the annual "Miles Back to the Bush" Festival. The festival spans over a weekend with Markets, Live Music, Air displays, historical events and displays, a visit of a Steam train and the loud tractor pull. The members joined in on the Saturday parade and participated in the Sunday Show and Shine. The report given at the last meeting really emphasised how much entertainment and fun the event is with the Miles committee running a very good weekend.

- Received from Floor: Nil

## Next Meeting

- a) Location: RSL Hall - Roma
- b) Date: Sunday, 15 October 2023
- c) Time: 1.30 pm
- d) Comments: **AGM and General Meeting - Roma - RSL Hall - Quintin Street, Roma** General Meeting will commence at 1.30 pm sharp. We will have a break following this meeting for afternoon tea (coffee and ice-cream vans have been invited to attend) and the AGM will follow, commencing at approx. 3.30 pm. We ask that you attend in your historical vehicle as this will make a great display at the front of the RSL Hall. There will be a Zoom option for both meetings on request. Please consider what role you may be able to carry out for the club in the coming year. All current club role bearers are asked to prepare a brief report for the AGM.

## Meeting Closed

President: Thank everyone for attending and close the meeting.
