

South Coast Vintage Car Club – COVID-19 Plan

Attendees will only attend the event if they are feeling well and do not have any COVID -19 symptoms.

All attendees are required to provide their name and contact number prior to attending the event. Attendees will locate the events coordinator to identify their entry/exist time.

Attendees are encouraged to remain as much as possible within their seated area to minimize mingling between seated groups.

Attendees must abide to the 1.5-metre rule when sitting in groups. (Excluding household or other close contact attendees).

To reduce crowding attendees will be required to adhere to the physical distancing with markers on the ground in areas where people are asked to queue.

Attendees will use a separate entry and exist location when accessing the food stall.

Attendees are required to bring their own hand sanitizer and food utensils to the events.

All food organizers will wash their hands with soap & water and hand sanitizer before and after food service. They are required to use gloves and wear masks during all procedures of food preparation.

There will be no more than three people at the BBQ area when cooking. Food preparers will use one set of utensils which will then be washed using hot soapy water after the individual has used it.

If attendees demonstrate non-compliance to the above COVID -19 safety plan, attendees will be asked to leave.
