## XMAS PARTY 2019

Well a great day was had at the Illawarra Early Holden Club's 2019 Xmas party held at the Integral Energy picnic area on Saturday 16th November. There was a great turnout with the majority of participants arriving in their Holden's. After some time chatting with a coffee the BBQ was fired up and the boys were into the sausages and steaks. In the meantime the quoits competition commenced with many lining up to test their skills at this game. A nearby slide line provided plenty of interest with a few (kids) having a go much to the delight of the spectators.

After lunch the man in red appeared much to the surprise of all. After offering his words of wisdom and luring others with lollies the man in red disappeared as fast as he came. No doubt to attend to his many other followers. Following his departure and more chatting the Xmas raffle was drawn with many great prizes being distributed to all successful winners. Overall a great day was enjoyed by the members.
