BVAC Presidents Report – February 2020

A Happy New Year to everyone. I hope everyone had an enjoyable Christmas break, back refreshed, and ready to get involved into the Roaring Twenties, the BVAC's 51st year.

The Annual General Meeting & Election of Office Bearers was held in December 2019. The AGM election went smoothly with most positions filled. We are still seeking two very important club positions, an Editor and Event Co-ordinator. The Vintage Views is provided in a very basic form until the Editor position can be filled.

February's general meeting will include an event planning discussion to ensure that members can provide input into the Club's event calendar for the year. This will set the events calendar making the Event Co-ordinator's role easier to manage. With events scheduled for the year, it is a relatively straight forward role of co-ordinating the events with support of the committee. Please consider if you would like to fill this important position.

I am pleased to report that last year's committee has been re-elected and are dedicated to once again strengthening the BVAC building on the previous years. The committee will continue to promote the club's values through its monthly meetings, events and social outings. We look forward to all members enjoying the fellowship of the club, and as always if you would like to bring forward any suggestions to improve the BVAC please feel free to discuss with myself or any of the committee.

Our 50th Anniversary Year was truly memorable with a large number of varied events which the BVAC can be proud of. Our BVAC MotoFestival 2019 – 50th Anniversary Event was a roaring success.

There have been many events since the December meeting, BVAC Christmas Party – Aspley Hornets, Bunnings Christmas Family night – Static car display, Sandgate – Jingle all the Bay – Car Parade, Christmas lights run, Bunnings Community BBQ – Static Display & Community Sausage Sizzle, and Australia Day – Samford Historical Village – Static Car Display. Photos of these events are included in this magazine.

The Australia Day celebrations at Samford Historical Village were the usual enjoyable low key day. There was a good selection of cars with the BVAC also in attendance. Attendance was down on the previous year due the rain and public holiday on Monday.

The Bunnings Community Sausage Sizzle – what can I say!!! The BVAC support for this fund raising event was exceptional. Being our first fund raising event of this nature it certainly exceeded our expectations not to mention raising additional funds for our Club.

I am looking forward to another memorable and successful year for the BVAC and all of our members. I look forward to seeing you at our events, and together let's make the roaring twenties one to remember by attending events organised. As always please let the BVAC committee know if you are aware of someone with an interest in the older vehicles, or even a member who has left and wants to return. Remember growth of our membership makes the BVAC stronger. So once again big thanks to our regulars, and if you haven't been to a meeting or run lately, come along and meet some new faces and a lot of old ones.

Safe Motoring,

Glen

RECURRING EVENTS

CARS AND COFFEE SAMFORD is held every second Sunday of the month starting at 7:30am. Bring your rare, classic, vintage historic, exotic or race vehicle and join BGS Classic Cars at our monthly Cars and Coffee at Samford! Hosted by BGS Classic Cars and Spokes Coffee. It is a great opportunity for likeminded enthusiasts to meet for a delicious coffee and breakfast prepared by the team at Spokes and talk all things motoring related. All types of cars and bikes are encouraged and welcome to join this family orientated event, also; why not head up to Dayboro or Mt Glorious for a leisurely sprint? 'Cars for Hope' is our official charity partner and is the recipient of 100% of fundraising activities.

PETRIE CRUISE NIGHT - FRIDAY NIGHTS AT OLD PETRIE TOWN.

Every Friday the Petrie Cruise Night is held at Old Petrie Town Historic Village. The village has a great atmosphere with bitumen roads lined with classic cars and motorcycles parked in front of historic buildings from Petrie's past. Classic 50's, 60's and 70's music and movies are screened on an outdoor screen, while burgers, fries, pizza, sodas and spiders are all consumed. No bad attitudes are allowed! On a good night you will see 45 to 50 motorcycles and 50 to 60 cars. So if you are on the north side on a Friday evening between 5PM and 9PM looking for somewhere to go, cruise by and check it out. Being an outdoor event it does depend on fine weather, so keep this in mind.

IMPROMPTU EVENTS

The BVAC Committee has reviewed the new SIV's registration in regards to "Impromptu Events" and established BVAC guidelines so our members can work within the SIVS scheme, BVAC constitution and our risk management procedures.

The BVAC Committee requires BVAC financial members who wish to hold an "Impromptu Event" to provide at least 24 hours' notice of the event, with notice provided to all BVAC committee members and the BVAC webmaster by post or email. This allows adequate time to include the event either on the BVAC Facebook, BVAC webpage, or the events page. The "impromptu event" details shall include the event start location, start time, destination location and destination time. BVAC members shall also include a statement that their SIV's registered vehicle will be operated in accordance with the DTMR - SIV's conditions and restrictions as legislated.

Once endorsed by the BVAC committee, the member shall carry the "impromptu event" documentation at all times during the event.

Bunnings Xmas Family Night – 5th Dec 2019

Sandgate – Jingle all the Bay – 6th Dec 2019

BVAC Christmas Party – 2019 – Aspley Hornets

BVAC Christmas Lights – 15th Dec 2019
