MEETINGS

Monthly meetings are held at 7.30 pm on the first Friday of each month at the clubrooms, corner of Docker and Morgan Streets, Wagga Wagga. All members, guests and visitors are welcome.

CLUB EVENTS

Club events are held on various days during the year. Please check the "Coming Events" section of this newsletter for details. For vehicles on "Club Plates", a copy of the club magazine with the 'Events calendar' showing the sanctioned events must be in the member's vehicle when on these specific events.

STATEMENT OF OBJECTS

The Club's Statement of Objects is as follows:

For the association of persons interested in Veteran, Vintage, Classic and Post Classic motor vehicles.

To encourage the restoration, preservation, use and display of these vehicles and associated literature, films, photographs, tape recordings and video tapes.

To demonstrate the capabilities of these vehicles by engaging in competitions including economy trials, regularity runs, observation events, motorkhanas, concourse competitions and vehicle rallies.

To encourage goodwill, friendship, and communication between members of this Club, and between members of this Club and all other persons, clubs and associations having like Objectives.

Midweek Run

Meeting Closed 9.15pm

Late one night a burglar broke into a house and
while he was sneaking around he heard a voice say
"Jesus is watching you." He looked around and
saw nothing. He kept on creeping and again heard
"Jesus is watching you."

In a dark corner he saw a cage with a parrot inside.
The burglar asked the parrot *"Was it you who said
Jesus is watching me."* The parrot replied *"Yes."*
Relieved the burglar asked *"what's your name."*
The parrot replied *"Clarence."* The burglar replied.
*"That's a stupid name for a parrot. What idiot
named you Clarence?"* The parrot answered *"The
same idiot that named the Rottweiler Jesus."*

Bill Shorten (Party leader of the
Australian Labor Party) was seated next
to a little girl on a QANTAS flight so he
turned to her and said,
"Do you want to talk? Flights go quicker if you
strike up a conversation with your fellow
passenger."

The little girl, who had just started to read her
book, replied to what she thought was a total
stranger, "What would you want to talk about?"
"Oh, I don't know," said Bill. "How about global

warming , universal health care , or stimulus packages?" as he smiled smugly.

"OK," she said. "Those could be interesting topics but let me ask you a question first.

A horse, a cow, and a deer all eat the same stuff - grass.

Yet a deer excretes little pellets, while a cow turns out a flat patty, but a horse produces clumps.

Why do you suppose that is?"

Bill, visibly surprised by the little girl's intelligence, thinks about it and says, "Hmmm, I have no idea."

To which the little girl replies, "Do you really feel qualified to discuss global warming, universal health care, or the economy, when you don't know sh--?"

And then she went back to reading her book.

My wife was hinting about what she wanted for our upcoming anniversary.

She said, "I want something shiny that goes from 0 to 150 in about 3 seconds."

I bought her a bathroom scale.

And then the fight started.....

How many makes can you identify in this 1930's wrecking yard in America?

Source indicates: Front row is Chrysler 58, HCS, Jewett and Dodge. The rest are difficult to pick but there is a Maxwell, Hudson, Buick and Essex in there as well.

BELATED CHRISTMAS AND NEW YEAR WISHES

Twas the night before Christmas and out in the shed, Sat a tired old Morris, it's battery dead.
It's wings were rusted, the floor pans had holes, the seats and carpets had been eaten by voles.
The tyres had dry rot, the fuel tank was leaking, a turn of the steering wheel sent tie rods a-creaking.
So I put on my coat with a weight on my heart, and went out to the shed to get it to start.
The engine turned over-there arose such a clatter! I knew from the sound, "timing chain chatter".
From under the dash there came a bright flash: the wiring harness had just turned to ash!

"I've had it with the Morris!" I finally swore.
"Enough is too much! I can't take any more!"

When what to my red, teary eyes should appear, but a little Englishman (hey, I might need a beer!)
"Good day," I heard, as he tapped on my shoulder, "I'm Joe Lucas" he said as the car continued to smoulder.
"This one can be saved; there's no reason to grieve. All you need is some faith man, you've got to believe!

"A hammer! Some duct tape! Get me some tools! When you work on these cars, just make up the rules!
"We'll get her cranked over - no way that she'll stall (but stand over there with your back to the wall)."
A cough and a splutter, the cacophony stunning, I couldn't believe it! The damn thing was running!
The ghost winked at me and said, kicking a tyre, "Whatever you do, DO NOT TOUCH THIS WIRE!"
The old man then vanished amid sneezes and farts, but when the smoke cleared he had left me some parts.
So I opened the shed door and let the top down, put pedal to metal and went in to town.
And I thought to myself as I crunched second gear-
Merry Christmas to all and Happy New Year.
